## CONVENTIONS, ETC.

DEMOCRATS AND REPUBLICANS SELECTING CONVENTION DELEGATES.

LOUISVILLE, May 3d.—The Republican Convention elected Congressman George M. Thomas third delegate to Chicago. John Lewis of Springfield, was chosen fourth delegate.

RHODE ISLAND.

PROVIDENCE, R. I., May 3d.—The Republican State and two District Conventions were held here to-day. The following delegates-at-large were elected: Fred Marcy, of Providence; W. R. Walker, of Pawtucket; Richard Thornley, of East Greenwich; and George Cranston, of North Kingstown.

The platform favors liberal pensions; demands a free ballot and fair count; favors protection to labor and capital alike, and in a manner that shall relieve the laborer without injury to the laborers and consumers or the great productive industries.

NEW JERSEY.

TRENTON, N. J., May 3d.—The Democratic State Convention assembled here to-day. The platform adopted reaffirms the principles laid down by the last Democratic National Convention. It is a plank of that platform and recognizes the wisdom of the recommendations of President Cleveland. The platform makes no mention of the President's tariff message.

Delegates-at-large were chosen as follows: Governor Green, ex-Governor Abbott, Moses Biglow and Samuel R. B. Deane. An interesting feature was the defeat of Senator Blodgett, who wanted to be a delegate-at-large. The delegates elected are solid for Cleveland.

INDIANA.

INDIANAPOLIS, Ind., May 3d.—The Republican State Convention was called to order at 1:20. Richard W. Thomas was chosen Permanent Chairman. A resolution was adopted presenting the name of William Benjamin Harrison as a candidate for the Presidency, and instructing delegates-at-large to vote for and work for him in the Convention.

INDIANA.

LAWRENCEBURG, May 3d.—William S. Holman was re-nominated for Congress by the Democratic Convention in the Fourth Indiana District, by acclamation.

THE ANTI-SALOON CONGRESS.

NEW YORK, May 3d.—The Anti-Saloon Convention opened its second day this afternoon. It was decided that the different delegations should select one from each State to represent it at the National Convention. In the platform adopted the saloon was regarded as the common and malignant foe of civilization in America, and as an enemy which should be abolished. It speaks in the highest terms of the Republican party, past, present and future; expresses confidence that it will prove to be the agent of civilization and the destruction of the saloon, as it was for the overthrow of slavery, and asks of the Republican National Convention that the platform shall contain a declaration of hostility to saloons. A resolution offering, urging all women to give their support to the Republican party whenever or wherever it stands for the protection of home against the saloons, was unanimously adopted. Adjourned sine die.

NEW YORK, May 3d.—Snapper Garrison has announced that if Mr. Haggin retires from the turf he will give up riding. Garrison has won \$7,500 for the remainder of the season, which with the salary Haggin will have to pay him in any event, will make his regular earnings this summer amount to nearly \$20,000. Garrison intends to add quite a number of fine horses to his present string, which is headed by Golden and two others in his name. Money has poured in the last few days on Ben Ali, Miss Ford, Hidalgo, Connemara and Fenelon for the Suburban handicap, and on Harvey, Denby, Saxony and Dry Monopole for the Brooklyn handicap.

It is believed that stable money had something to do with the low price of Ben Ali and Hidalgo in the bets. Yet there is reliable information that the Haggin stable will not be represented by Ben Ali in the Suburban, but will depend upon Anzelm. Ben Ali certainly is looking well and doing his best in his old-time style.

At Nashville, on Wednesday, Wary just beat Baldwin's Mollie last out in the racing time of 1:41. Haggin was the half length behind Baldwin's mare, and Egan only a head behind Jacobin.

On Sunday the better part of Baldwin's stable, including Volante, Norfolk and Miss Ford, will be shipped direct to New York, the others going to Louisville.

THE BALL-TOSSERS.

Results of League and Other Ball Games Yesterday.

DETROIT, May 3d.—The Detroit snatched victory from defeat to-day by hard-hitting and some unfortunate errors by the opponents in the ninth inning. Henderson's pitching was far up to the ninth, when he seemed to lose his grip. There was hard hitting throughout the game on both sides. Score—Detroit 18, Pittsburgh 13.

ANOTHER CHICAGO VICTORY.

CHICAGO, May 3d.—Indianapolis lost again to-day. The game was a interesting one throughout. A good many brilliant plays were made. Chicago's superior work at the bat accounts for the victory. The playing of Pettit, Williamson and Pfeiffer were the features of the game. Pfeiffer doing some wonderful work in the way of stopping balls. There was hard hitting throughout the game. Score—Chicago 7, Indianapolis 3.

THE BRAWN-BATTLERS DO UP THE GIANTS.

NEW YORK, May 3d.—New York was defeated to-day in a well-played game, leaving the Boston still at the head of the list. The work of both teams to-day was good in nearly all respects. Clark's, Keefe's, Richardson's and Ewing's playing were features. Score—Boston 6, New York 2.

THE SENATORS' TRIUMPH.

PHILADELPHIA, May 3d.—Gleason lost his grip in the fifth inning to-day, and for a few minutes was completely paralyzed. During that time his work was such that Washington managed to score six runs

## PLEASED WITH THE RESULT.

Senator Stanford Thinks the California Convention a Wise Policy.

WASHINGTON, May 3d.—Senator Stanford is evidently pleased with the action of the California Convention of California, which endorsed him and sent an undivided delegation to the Chicago Convention. He says that the State Convention evidently did not understand the status of the Chinese treaty in the Senate when it called upon California Senators and Representatives to oppose that instrument, with the anti-tariff proposal. He regarded the treaty as a vast improvement upon the existing treaty and the laws enacted in accordance therewith.

Senator Stanford says that he especially requested his friends to make no attempt to put his name forward as a candidate for the Presidency, but to support the Chinese treaty as a vast improvement upon the existing treaty and the laws enacted in accordance therewith.
